**Search rate** = (searches / stops) X 100.

**Contraband hit rate** = (searches with contraband found / total searches) X 100.

## Agency response

The City of Hannibal has both the US 61 and US 36 Highways intersecting within its boundaries. In addition, Hannibal is known as "America's Hometown" and for "Mark Twain" which draw a sizable number of tourists annually. Considering all these factors demonstrates Hannibal's local population and is not a true reflection of the racial encounters experienced by local law enforcement. The statewide population % concerning race is a truer reflection of traffic stops experienced by Hannibal officers. If the statewide population % is a more accurate indicator of the racial makeup of the drivers Hannibal officers encounter, then the disparity index would be less than 1 (under-representation).
